Notes: The Driver of Vehicle 2 stated that on 12/17/2018 at approximately 1330 Hours, she turned into the Georgia Highlands College Campus Parking Lot for Faculty, Staff and Visitors to pick-up her grandson. She said as she turned into the parking area she observed her grandson exiting the building and walking towards her vehicle. When she stopped for him another vehicle (Vehicle 1) in the same parking lot backed out and struck her vehicle and kept going. Her vehicle was struck on the Left Rear Quarter Panel and Rear Bumper area that resulted in moderate scratch marks on her vehicle. The only information available on the other vehicle (Vehicle 1) was that it was dark colored and driven by a light skinned Female with curly hair who quickly left the area traveling in the wrong direction. Further information on this driver revealed that she visited the campus and inquired about registering and classes and left. A review of the campus video system indicated that this incident occurred exactly as described by the Driver of Vehicle 2 and because of Vehicle 1's angle the vehicle tag, make & model is unknown.
