

We are in the process of organizing the Dental Hygiene Alumni Association. In the future, you will be able to find current information about upcoming events and other news of interest on this site. Please visit us often.

If you are not a member and are a graduate of the Georgia Highlands College (Floyd College or Medical College of Georgia) Dental Hygiene Programs here in Rome, please take a minute to send us an e-mail with the following information included: Name, address, phone number, year you graduated, e-mail address, and where you are currently working (optional). We promise not to fill your e-mail with unnecessary messages. We just want to locate and communicate with our graduates. Please pass this address on to any classmates you are in contact with so they can join us too. If you have an interest in working on this Association, please let us know this so we can make it a success.

Please join us on our Facebook page at Georgia Highlands Dental Hygiene. If you have any questions, feel free to contact Ms. Regina Gupta, at 706-204-2282 or rgupta@highlands.edu. Hope to hear from you soon.
