

## **Associate Degree Dental Hygiene Information Sessions**

The Dental Hygiene Department will offer Information Sessions for those interested in applying to the Associate Degree Dental Hygiene Program. We encourage those who are just beginning to take core classes, those in high school or attending other colleges to attend one of these sessions in order to obtain the most current information about the application process and the program. We will be discussing application details, touring the facilities, and answering questions about the program.

Associate Degree Dental Hygiene applicants will be required to provide proof of attendance at a Dental Hygiene Information Session (at Heritage Hall) in their application packet. Proof will be provided to the student in the form of an attendance certificate after the session they attend. When students are ready to apply, attendance at a session must have been completed within the last year prior to March 1<sup>st</sup>, nothing older will be accepted. These sessions will be held at the Heritage Hall campus, which is located at 415 E. 3<sup>rd</sup> Avenue Rome, GA 30161.
