

Associate Degree Dental Hygiene Information Sessions

The Dental Hygiene Department requires that students interested in applying to the Associate Degree in Dental Hygiene Program attend one Information Session in the 12 months prior the March 15th application deadline in the year of application. We encourage those who are just beginning to take core classes, those in high school or attending other colleges to attend one of these session in order to obtain the most current information about the application process and the program. We will discuss application details, tour the facilities, and answer questions about the program.

Associate Degree Dental Hygiene applicants are required to provide proof of attendance at a Dental Hygiene Information Session (at Heritage Hall) in the application packet. Proof will be provided to the student at the conclusion of the session. ***Students who are more than 15 minutes late to the session, will not receive proof of attendance and will need to attend another session. Applications from students who have not attended one of these information sessions within the 12 months prior to the application deadline will not be reviewed.*** Attendance of sessions prior to these 12 months will not be accepted.

These sessions will be held at the Heritage Hall campus, which is located at 415 E. 3rd Avenue Rome, GA 30161. You may enter 444 E. 4th Avenue into google maps or a navigation app. This address will bring you to the back of our building at Heritage Hall. Please follow signs that will be posted to indicate the location of the meeting. Attendees must follow face covering and social distancing policies as published by the college.

Please note that you must make a reservation to attend an information session. Please call the department at 706-295-6760 to reserve your space or email Kelly Rice at krice@highlands.edu.
