

# Managing Your Healthcare Bills Is Easy With US.

## Simple. Convenient. Organized.

Healthcare bills typically find their way into a junk drawer, file folder, or shoebox in the closet. It's time to ditch the paper trail and keep your healthcare expenses better organized, even when you're on-the-go.

Our **U.S. Bank Expense Tracker** helps you consolidate and manage all of your healthcare bills in one spot. Easily enter your healthcare expenses online, track and categorize your eligible healthcare and out-of-pocket expenses, and securely upload receipts, EOBs or documentation for record-keeping purposes.

As part of the **U.S. Bank Healthcare Mobile app**, you can also take advantage of **Expense Tracker** when you're on-the-go. Enjoy the flexibility and convenience of uploading images of receipts and managing healthcare expenses through your mobile device.

And when **Expense Tracker** is paired with our best-in-class account-management site, expert customer service, and convenient payment card, you get a great solution that not only supports healthier living but is good for your wallet.

All of **us** serving you®

This Health Savings Account (HSA) is a custody account with U.S. Bank serving as the custodian. Terms and conditions of the HSA are included in your HSA Application and Agreement. For the U.S. Bank HSA, your funds maintained in the Cash Account are FDIC insured subject to the FDIC insurance coverage and insurance limits allowed by law. FDIC insurance is calculated on end-of-day ledger balances in your deposit account which may include funds deducted from your available balance for investment purchases that have not yet settled.
