

2020 FACULTY/STAFF CAMPAIGN

taking charge - changing lives

STUDENT SUCCESS

As a member of the GHC family, we know how important we are to our students and to the college. Your dedicated work as faculty and staff shapes the lives of students, ensures the vitality of the college and strengthens our community.

BE A TAKE CHARGER

The Faculty/Staff Campaign is an opportunity for GHC employees to become engaged and involved with the fundraising efforts in support of GHC's students, faculty, staff and programs.

GIFT IMPACT

The cumulative impact of employee gifts to the college is powerful. Annual gifts of all sizes help support things such as:

- Scholarships
- Athletics
- Charger Food Pantry
- Programs like Foundation Camp
- Community and Civic Engagement

PARTICIPATION

Participation matters. Participating tells the community WE believe in our mission of access to an excellent and affordable education for all. We each have different means and abilities to give, but giving does make a difference. Annual gifts of any size go to work immediately for the benefit of our students and the college.
