

# #22: PROJECT PROGRESS CHART

FRONT-PAGE FEBRUARY: DAILY NEWS YOU CAN USE

**USE A SHARED CHART TO TRACK YOUR STUDENTS' PROGRESS ON PROJECTS.**

**ALL MODALITIES**

1. Share one collaborative MS or Google doc with all students.
2. List steps toward project completion in column headings.
3. Each student lists his/her name in the left-most column and fills in each cell with brief summaries of what he/she has done for that step.
4. Comment on students' entries. Tag students with "@name/email" to alert them to comments.
