GEORGIA HIGHLANDS COLLEGE

## EMPLOYEE AMBASSADORS

## Leadership, Community Service, School Pride

The Employee Ambassadors are Georgia Highlands College faculty and staff members who volunteer their time and effort to improve the unity and spirit of not only the college community, but the local community as well.

The Georgia Highlands College Ambassadors participate in several community projects each year. Employee Ambassadors also provide several social opportunities to improve the unity of the college community.

Employee Ambassador events are funded by the contributions of \$15 annually from GHC Employees. Items purchased with contributions include food, door prizes, decorations and other supplies needed for events. The number of events held each year is determined by the contributions we receive each year at In-Service.
