Engl 2132: American Literature II #20483

Please indicate in detail how the conditions of the Honors Contract were or were not met. Attach additional pages as needed. I believe that [REDACTED] did indeed fulfill the conditions of her Honors Contract with me for American Lit II. She researched author Margaret Mitchell's biography, visited and took pictures at the Mitchell museum, and analyzed the novel from a different perspective beyond the final paper requirements. This project added an interesting cultural depth to the literature course.

Do you believe this project meets the standards of the honors option contract as described in the guidelines? Why or why not? Yes, I believe [REDACTED] honors project meets the standards set forth in the Honors guidelines and meets the contract requirements I proposed with [REDACTED] early in the semester. I am satisfied with this Honors project and believe [REDACTED] has earned the Honors designation.
