HIST 2112 American History since 1870 # 20102

Please indicate in detail how the conditions of the Honors Contract were or were not met. Attach additional pages as needed.

The student prepared and completed 3 research papers discussing the plight and circumstances of African-American, Hispanics, and women from a social and economic perspective from 1870 to the present. One respective paper discussed the life and contributions of Helen Keller and included a student reaction to the theatrical production *the Miracle Worker*.

Do you believe this project meets the standards of the honors option contract as described in the guidelines? Why or why not?

I believe the student prepared and discussed the various topics respectively and concisely. With some additional insight from Dr. Wolfe, the subject and its parameters were met.
