STAY INFORMED

GHC officials monitor severe weather conditions and notify students and employees as needed through the following resources:

GHC Notify Alert

Automated emails, texts, and calls notify GHC students and employees of closings, delays, or emergencies. Students are automatically signed up based on their enrollment contact info, which can be updated through Charger Portal. Employees must opt in or update settings through [GHC NOTIFY](#).

Local Media Outlets

Weather closings or delays are shared with media outlets in Rome, Cartersville, Marietta, and Dallas, but posting may vary. For the most reliable updates, utilize the other notification options.

Website

Information will appear in an alert banner at the top of the GHC homepage ([highlands.edu](#)) and will be updated as needed.

PERSONAL SAFETY SHOULD ALWAYS BE YOUR #1 PRIORITY

Conditions can vary widely by location. If you do not feel safe to travel, don't. However, be sure to notify your professor/supervisor.
