### PROGRAM NOTES & REQUIREMENTS

- Applicants for the bridge program must be finishing their final prerequisites in the **summer semester** of application. This is to ensure applicants will have all prerequisites completed for a competitive admission score.
- LPN/Paramedics require a Georgia state license.
- Minimum of 2.5 GPA in required general academic courses - students must make at least a "C" or better in BIOL 2251/L, BIOL 2252/L, BIOL 2260/L, ENGL 1101, and MATH/STAT.
- Upon successful completion of NURS 1300 & NURS 1400, students receive prior learning credit for NURS 1000, 1001, 1002, 1100, and 1200
- TEAS required within two years of application (April 2nd - April 1st); applicants can have no more than **four** attempts at the TEAS in any application cycle - **minimum composite: 70**
- LPN/Paramedics are eligible to apply for the Traditional ASN program - the LPN/Paramedic licenses will now be accepted, if applying for the Traditional ASN program
- Application deadline: **August 15th** (yearly)
- Nursing information sessions are mandatory - visit the [Nursing website](#) for event information.
- Students who transfer in HIST 2110 (Survey of US History) will receive points in their admission score. These students **MUST** complete a course substitution form in order to satisfy their US & GA History requirements for graduation - these are not guaranteed, and if denied, students must take either American History (HIST 2111 or 2112).
