

**Business Pathway/Bachelor of Business Administration
AN AGREEMENT TO ESTABLISH A TRANSFER ARTICULATION AGREEMENT
AND A 2+2 PROGRAM PARTNERSHIP BETWEEN
GEORGIA HIGHLANDS COLLEGE AND THE UNIVERSITY OF WEST GEORGIA**

This is a Joint Institutional Agreement on the part of Georgia Highlands College (GHC) and the University of West Georgia (UWG) to formally establish an educational partnership between the two institutions. This agreement is made between Georgia Highlands College Division of Social Sciences, Business, and Education regarding the Associate of Science – Business Pathway and the University of West Georgia's Richards College of Business regarding the Bachelor of Business Administration degrees offered in the various departments of business. In this agreement, GHC and UWG are collectively referred to as the Parties.

The objectives of this Agreement are to provide for a partnership between GHC and UWG that will allow students to enroll at GHC, complete an Associate of Science - Business Pathway degree, and be eligible to enroll with major status into a Bachelor of Business Administration in the Richards College of Business at UWG, or to provide for full transferability of any credit earned toward the AA for an early transfer to UWG to complete said BBA program.

- The Parties will work to identify, recruit and select students who clearly demonstrate academic and personal competencies required to function as successful students in the program.
- Facilitate the transfer of all viable college courses as required in the University System of Georgia core curriculum.
- Facilitate the transfer of AA level credits (GHC) towards completion of BBA program (UWG).
- Create a seamless pipeline for AA degree (GHC) to BBA degree (UWG).

Acceptance of Transfer Credit at the University of West Georgia

The following guidelines are used to award transfer credit:

- The transfer of credits is consistent with and subject to the conditions prescribed in each institution's published catalog at the time of the student's transfer request.
- Transferred courses must have been taken Fall Semester 2011 or later and be comparable college-level courses to be equivalent in content and quality to the University of West Georgia.
- Completion of the Associate of Science - Business Pathway program at GHC does not guarantee admission to the Bachelor of Business Administration program at UWG. Candidates must successfully meet all requirements to gain admission to the University of West Georgia.
- This agreement will be reviewed annually by both parties to ensure continued transfer compatibility of courses. The agreement is in effect for a period of five years, at which

time it may be reviewed and renewed. The agreement can be dissolved at any time by the written request of either of the parties listed above.
