GHC Coursework for an Associate of Science in Sport Management

The following crosswalk includes the specific courses that may be transferred from GHC to UWG, or the courses to be completed at GHC as part of the AS program to prepare for the BS at UWG.

Associate of Science - Sport Management
AN AGREEMENT TO ESTABLISH A TRANSFER ARTICULATION AGREEMENT AND A 2+2
PROGRAM PARTNERSHIP BETWEEN GEORGIA HIGHLANDS COLLEGE AND THE
UNIVERSITY OF WEST GEORGIA

This is a Joint Institutional Agreement on the part of Georgia Highlands College (GHC) and the University of West Georgia (UWG) to formally establish an educational partnership between the two institutions. This agreement is made between Georgia Highlands College School of Health Sciences' Department of Kinesiology and Wellness regarding the Associate of Science (AS) - Sports Management degree and the University of West Georgia's College of Education regarding the Bachelor of Science (BS) in Sport Management degree offered in the Department of Sport Management, Wellness, and Physical Education. In this agreement, GHC and UWG are collectively referred to as the parties.

The objectives of the agreement are to provide a partnership between GHC and UWG that will allow students to enroll at GHC, complete an Associate of Science - Sports Management degree, and be eligible to enroll with a major status into the Bachelor of Science in Sport Management in the College of Education at UWG.

The parties will:

- work to identify, recruit, and select students who clearly demonstrate academic and personal competencies required to function as successful students in the program.
- facilitate the transfer of all viable college courses as required in the University System of Georgia core curriculum.
- facilitate the transfer of AS level credits (GHC) towards completion of a BS program (UWG).
- create a seamless pipeline for AS degree (GHC) to BS degree (UWG).

Acceptance of Transfer Credit at the University of West Georgia

The following guidelines are used to award transfer credit:

- The transfer of credits is consistent with and subject to the conditions prescribed in each institution's published catalog at the time of the student's transfer request.
- Completion of the AS - Sports Management degree at GHC does not guarantee admission to the BS in Sport Management program at UWG. Candidates must successfully meet all requirements to gain admission to the University of West Georgia.
- This agreement will be reviewed annually by both parties to ensure continued transfer compatibility of courses. This agreement is in effect for a period of five years, at which time it may be reviewed and renewed. The agreement can be dissolved at any time by the written request of either of the parties listed above.
