

An Articulation Agreement Between Georgia Highlands College And The University Of West Georgia Associate of Arts - English

Explanation of Agreement:

This is a Joint Institutional Agreement on the part of Georgia Highlands College (GHC) and the University of West Georgia (UWG) to formally establish an educational partnership between the two institutions. This agreement is made between GHC's School of Humanities regarding the Associate of Arts (AA) English degree and the UWG's College of Arts, Culture, and Scientific Inquiry regarding the Bachelor of Arts (BA) in English degree offered in the Department of English, Film, Languages, and Performing Arts. In this agreement, GHC and UWG are collectively referred to as the parties.

The objectives of the agreement are to provide a partnership between GHC and UWG that will allow students to enroll at GHC, complete an AA English degree, and be eligible to enroll with a major status into the BA in English in the College of Arts, Culture and Scientific Inquiry at UWG.

The parties will:

- work to identify, recruit, and select students who clearly demonstrate academic and personal competencies required to function as successful students in the program.
- facilitate the transfer of all viable college courses as required in the University System of Georgia core curriculum.
- facilitate the transfer of AA level credits (GHC) towards completion of a BA program (UWG).
- create a seamless pipeline for AA degree (GHC) to BA degree (UWG).

Acceptance of Transfer Credit at the University of West Georgia:

The following guidelines are used to award transfer credit:

- The transfer of credits is consistent with and subject to the conditions prescribed in each institution's published catalog at the time of the student's transfer request.
- Completion of the AA - English degree at GHC does not guarantee admission to the BA in English or English Ed programs at UWG.
- Candidates must successfully meet all requirements to gain admission to the University of West Georgia.

This agreement will be reviewed annually by both parties to ensure continued transfer compatibility of courses. This agreement is in effect for a period of five years, at which time it

may be reviewed and renewed. The agreement can be dissolved at any time by the written request of either of the parties listed above.

Requirements

- Earn an overall GPA of 2.0 at GHC
- Earn at least a C in all courses applied to UWG's Area F
- Complete requirements for the AA-English degree

Course Equivalencies Relevant to Core and Major Requirements:

Appendix A lists the current table of course equivalents for transfer between GHC and UWG. Students who complete core requirements at GHC will receive credit for equivalent core requirements at UWG. Transfer students must complete all coursework necessary in their respective degree plan of study before receiving their AA from Georgia Highlands College or their BA from the University of West Georgia.
